

BEGG
Appl. No. 10/812,917
November 13, 2006

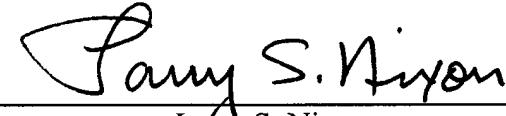

noted that the Examiner already recognizes claim 6 to be generic and that claims 1-4 will also be examined together with generic claim 6 as that would not be a burden to the Examiner.

For reasons noted above, applicant reserves the right to petition the outstanding restriction requirement if it is continued and made final.

Early and favorable action allowing all pending claims is respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
